

Full Name majid Olyayee
Scientific Position assistant professor
E-Mail majidolyayee@tabrizu.ac.ir
Department Animal Science
Work phone ---
Fax ---
Web Site ---

Educations

- 1) B.Sc, 2007, Animal Science, Islamic Azad University
- 2) M.Sc, 2010, Animal Science, Tabriz University
- 3) Ph.D, 2014, Animal Science, University of Mashhad

Teaching Course

- 1) , B.Sc
- 2) , M.Sc
- 3) , Ph.D

Translated Books

- 1) Poultry Feed quality control and diet formulation, translation, Amidi, 2016/03/15

Papers in National Journals

- 1) Olyayee majid, Golian Abolghasem, Haghparast alireza, Basami Mohammad reza, Heravi Mossavi alireza, 2016/11/30, Effect of Nutrient dilution and Glutamine Supplementation on Growth Performance, Small Intestine Morphology and Immune Response of Broilers, Iranian Journal of Animal Science Research, 8, 284-297

Presented Papers in International Conferences

- 1) Babajani samim, Alijani Sadegh, Javanmard Arash, Olyayee majid, The Potential For Poultry Production in Developing Countries, announcer, complete article, Multiple-trait estimation of genetic parameters and breeding value principal components of some body and egg quality traits of Azarbyjan native chickens, 2015/10/15, 2015/10/18
- 2) Alijani Sadegh, Babajani samim, Olyayee majid, Javanmard Arash, The Potential For Poultry Production in Developing Countries, announcer, complete article, Principle components analysis of internal egg quality traits of Azarbyjan native chickens, 2015/10/15, 2015/10/18

Presented Papers in National Conferences

- 1) Olyayee majid, Salehi Sirvan, The third National conference in applied research on livestock, poultry and aquatic industries, poster presentation, brief article, A review of the effects of adding enzymes in food rations for poultry, 2016/03/03, 2016/03/03
- 2) Janmohammadi Hossein, Olyayee majid, Salehi Sirvan, The third National conference in applied research on livestock, poultry and aquatic industries, poster presentation, brief article, New review on nutritional factors involved in improving the quality of egg shells, 2016/03/03, 2016/03/03
- 3) rezayee akbar, Janmohammadi Hossein, Olyayee majid, The third National conference in applied research on livestock, poultry and aquatic industries, poster presentation, brief article, Production of added-value poultry meat enrichment with omega-3 fatty acids: a review, 2016/03/03, 2016/03/03
- 4) Olyayee majid, Janmohammadi Hossein, rezayee akbar, The third National conference in applied research on livestock, poultry and aquatic industries, poster presentation, brief article, Replacement of antibiotic growth promoters in poultry, 2016/03/03, 2016/03/03

5) Salehi Sirvan, Olyayee majid, Janmohammadi Hossein, The third National conference in applied research on livestock, poultry and aquatic industries, poster presentation, brief article, Meat quality in fast growing broiler chickens a review, 2016/03/03, 2016/03/03

6) Olyayee majid, rezayee akbar, Aghdam Shahriar habib, The third National conference in applied research on livestock, poultry and aquatic industries, announcer, brief article, The nutritional role of the caeca in poultry: a review, 2016/03/03, 2016/03/03

7) Javanmard Arash, Karami Maryam, malaki mokhtar, Olyayee majid, First seminar on Agriculture approach in koran, poster presentation, complete article, Creation of Dairy cattle undeniable fact for existence of Allah, Review on Milk complex components, 2016/03/03, 2016/03/03

8) Karami Maryam, Javanmard Arash, Asadzadeh Nader, Hasanpour Karim, Olyayee majid, National congress on passive defence on agriculture sesseion, announcer, complete article, Two scenario for national threat aspect on food security, 2016/06/06, 2016/06/06

9) Olyayee majid, Janmohammadi Hossein, Parsaimeher Kosro, Cheraghi Habib, seventh congress on animal science of Iran, poster presentation, complete article, The effect of Bonza Chick metabolism optimizer on broiler chick performance, 2016/09/07, 2016/09/08

10) Olyayee majid, Janmohammadi Hossein, Parsaimeher Kosro, Cheraghi Habib, seventh congress on animal science of Iran, poster presentation, complete article, The effect of Bonza Chick metabolism optimizer on carcass traits of broiler chickens, 2016/09/07, 2016/09/08

11) Olyayee majid, Janmohammadi Hossein, Mirgholonj Seyyed Ali, Kianfar Ruhollah, Alijani Sadegh, Javanmard Arash, seventh congress on animal science of Iran, poster presentation, complete article, The effects of bovine lactoferrin on the carcass traits and weights of small intestine of broiler chickens, 2016/09/07, 2016/09/08

12) Kianfar Ruhollah, Valizadeh Ramin, Mirgholonj Seyyed Ali, Olyayee majid, The Seventh Congress on Animal Science of Iran, poster presentation, complete article, The effects of red pepper on performance and serum biochemistry in layer hens fed wheat based diet., 2016/09/07, 2016/09/08

13) fathollahzadeh leila, Mirgholonj Seyyed Ali, Kianfar Ruhollah, Olyayee majid, The Seventh Congress on Animal Science of Iran, poster presentation, complete article, Effects of different levels of conjugated linoleic acid in post-molting phase of laying hens on performance and some blood parameters, 2016/09/07, 2016/09/08

14) fathollahzadeh leila, Mirgholonj Seyyed Ali, Kianfar Ruhollah, Olyayee majid, The Seventh Congress on Animal Science of Iran, poster presentation, complete article, Effects of different levels of conjugated linoleic acid (CLA) in post-molting phase of laying hens on performance and egg internal quality in different storage temperatures and duration times, 2016/09/07, 2016/09/08
